

# WEBBED - BY KY DAN

Me; I  
Butterfly  
Flutter by  
The garden.

Me; I  
With wings  
Fly, soft, over  
Floras and faunas.

Me; I  
*Whoosh...*  
*Oosh...BAM!*  
Stuck in – oblivion.

Me; I  
Open eyes  
Try to move  
Can't. Done. Over.

Me; I  
*Patterns*  
*White strings*  
*Holes*, spider web.

Me; I  
Heard  
Movements  
A creature lurks.

It; spider,  
Painted black  
Horrific stick-legs  
Walking in his circus.

Me; I  
Anticipate  
Story's over.  
Tears. Tears fall.

It; spider  
Comes closer  
Showing fangs  
Teasing its prey

Me; I  
Will die, I know  
No alternatives, none  
I'll bear; take me now!

Me; I  
Here it comes

*Closer...*

I feel the breaths  
I breathe the last breath

*Closer... closer...*

These shall be my last words:

*Closer... Over...*

Goodbye world.
