Car registration

Any other information eg ticket holder names (can be provided at a later date)	

Important information

You will be able to drive on to campus from 4.30pm to enable you to decorate your trunk (car boot) and prepare your activity (no earlier I'm afraid as the ECA buses need to leave). The gates will shut at 5.15pm. The first session will run from 5.45 – 7.00pm and a second session 7.15 – 8.30pm. You must stay for both sessions since your car cannot leave.

The five tickets included in registration are for kids in your class whose parents are committed to help you decorate and run your car activity. If you/they have kids in another class, you will be able to purchase their tickets through the general sale (don't worry you will get one). The actual tickets will be distributed nearer the date.

Hope you can help us make this year even more awesome than last!
