## Driver’s Code of Conduct

*In order to keep our children safe on the roads outside BIS, both before and after school, please can you spend a few minutes of your time discussing the following points with your drivers.*

- **Never stop on or near to a pedestrian crossing** – in order to ensure that our families can cross the road safely, please instruct your driver to park as far away from the main gates as possible to avoid congestion. Try walking a short distance to keep cars down to a minimum.
- **No cars should be parked for long periods of time outside of school** – ask your driver to meet you at a convenient location away from the school gates and please ask them to never double park as this stops the flow of traffic at peak times.
- **Never U Turn along the stretch of road outside EY&I, JC and SC** – tell your driver to drive away from school and if they have to U Turn, please do so on the wider, less congested roads. Try the route past JC along Nguyen Van Huong, as an alternative way to get home – it may take a few extra minutes driving but it will save the time you spend in traffic.
- **Ask your driver to show respect to our guards and follow their instructions** – they are there to keep you all safe and have a difficult job when drivers ignore their instructions.
- **Explain to your driver that *their* actions reflect upon *your* family** – ask them to respect all of our school community to make our school the very best that it can be.

*We all have our part to play – thank you.*
