1. Welcome from PSG Chairperson, Rose Gamito. She also took the opportunity to thank all of the parents that helped with the Loh Krathong celebrations in terms of the activities for the students and the wonderful dance performance by a group of our mums.
2. Presentation from Mr Alirio Rodriguez, ICT Director about Digital Safety. His presentation includes a lot of useful information about what parents can do to help monitor what their children are able to access on their devices. You can see his presentation [here](#).
3. Ms Sarah, our School Principal, also spoke about Digital Safety and that it is very much a partnership between home and school. Many habits in terms of use of devices start at home. We want to make use of technology in school but there needs to be a balance and it helps if this is also re-enforced at home.
4. Parents Cooking Classes – we need more volunteers to run a cooking class. Please contact Vera if you would be interested in arranging one. regentscookingclass@gmail.com
