Have a good relationship with their teachers

91 %

Developing confidence at school

92 %

My child was given a good induction when starting the school

## What our parents like about our school:

- “Individual approach, high quality education, respect for children, high quality teachers who really know their job and are loving and understanding children, raising children to their potential.”
- “I like how my kids are exposed to the arts, music, and drama.”
- “Very well trained teachers, excellent infrastructure, attention to the environment and health.”
- “Great results at IGCSE and IB, MIT and The Juilliard collaboration, Trips and residentials, Duke of Edinburgh Award, Global Campus expeditions, Sports tournaments.”

- “It provides an opportunity to complete the IBDP Diploma and thus the possibility of studying at excellent universities abroad.”
- “The school offers thanks to the committed teachers great opportunities also outside the curriculum (DofE, sport, leadership, clubs, etc.). Great resources and technology. The school supports the students to become open minded and responsible grown-ups.”
- “Caring, happy, fun yet serious with many teachers highly committed, available for students. Pastoral care.”
