# Villa Mégard

Villa Mégard is a 10 minute walk from the main campus, in a quiet and rural area of Versoix. It is extremely popular with the older students who appreciate the preparation for university independent living. The girls share twin rooms, a grand, fully equipped kitchen, a large sitting room with a television and Wi-Fi internet, and a laundry machine and dryer.

Our Villa is surrounded by a beautiful private garden. In case one does not wish to walk, the school provides a shuttle bus service at key times during the day, including weekends.
