COLLÈGE DU LÉMAN

International Boarding School — Geneva — Switzerland

Léman 2

Léman House lies at the heart of the School, and the building has been redeveloped over many years to give excellent boarding facilities for 58 boys in Grade 9 to Grade 12. It is in the centre of the campus, and every room has en-suite toilet and shower facilities. Outside there is a paved roof terrace with table and chairs.

The House furniture was renewed recently. Rooms are generally twin sharing rooms. There is a fully equipped kitchen, a laundry, and a sitting room with television and Wii. The House has WiFi access, and all rooms have desks.
