

## IB SUBJECT CHOICES FORM 2018 - 2020

NAME : \_\_\_\_\_

| IB Groups                      |  | Subjects Offered  | Check Subjects you wish to study* | Check Level HL/SL* |
|--------------------------------|--|---|-----------------------------------|--------------------|
| G<br>R<br>O<br>U<br>P<br><br>1 | Language A: Literature   | English   |                                   | HL / SL            |
|                                | Language A: Literature   | Polish  |                                   |                    |
|                                | Language A: Language and Literature  | English   |                                   |                    |
| G<br>R<br>O<br>U<br>P<br><br>2 | Language B<br>(at least 5 interested students needed to create a group)                        | English B   |                                   |                    |
|                                |  | French B  |                                   |                    |
|                                |  | German B  |                                   |                    |
|                                |  | Spanish B   |                                   |                    |
| 2                              | Language ab initio<br>(at least 5 interested students needed to create a group)                | Spanish ab initio   |                                   | SL                 |
|                                |  | German ab initio  |                                   | SL                 |
| G<br>R<br>O<br>U<br>P<br><br>3 | Individuals and Societies  | Economics   |                                   |                    |
|                                |  | Business and Management   | Business and Management           |                    |
|                                |  | Geography   |                                   |                    |
|                                |  | Psychology  | Psychology                        |                    |
|                                |  | History   |                                   |                    |
| G<br>R<br>O<br>U<br>P<br><br>4 | Sciences<br><br><i>Biology and Physics cannot both be chosen for timetable reasons</i>         | Biology   |                                   |                    |
|                                |  | Chemistry   |                                   |                    |
|                                |  | Computer Science  |                                   |                    |
|                                |  | Physics   |                                   |                    |
|                                |  | Sport, Exercise & Health Science  |                                   | SL                 |
| G<br>R<br>O<br>U<br>P<br><br>5 | Mathematics<br><br><i>Only Higher Level Mathematics is a Higher Level course in this group</i> | Higher Level Mathematics  |                                   | HL                 |
|                                |  | Standard Level Mathematics  |                                   | SL                 |
|                                |  | Mathematical Studies  |                                   | SL                 |
| G<br>R<br>O<br>U<br>P<br><br>6 | Arts   | Visual Arts   |                                   |                    |
|                                |  | Music   |                                   |                    |
|                                |  | Alternatively, instead of a Group 6 subject, choose another Language OR another Humanity OR another Science |                                   |                    |

\* check one subject in each group and check chosen subject's level HL or SL

\*\* choose 3 HL and 3 SL subjects

\*\*\*Subjects marked with the same colour are scheduled at the same time and therefore cannot be taken together.

**You may choose only one subject in every coloured section:**
