LEAP

Learning Enrichment Activity Programme

Secondary School - TERM 1

Monday 15 September to Friday 12 December.

Please note that for external clubs a disclaimer form must be completed by the parents and returned to the school office by Friday 19 September. The forms are available from the school office located in the Primary school.

In the Secondary school, we encourage student initiative and responsibility and to join a club the process is very much in the hands of the student. The students should decide which club(s) they are interested and sign the appropriate club sign-up sheet. The sign-up sheets will be available at the school assembly and will then be placed on the clubs board outside room 201. The sign up process finishes at the end of the week so clubs can begin on Monday 15 September.

 Externally provided

 Requires payment

Monday
