

Happy Teachers' Day, Tuesday 14th October!

In many countries, Teachers' Days are a celebration of all the hard work and commitment shown by teachers throughout the year and are designed to honour them for the important contribution they make to the lives of our children. In Poland, this date is the anniversary of the creation of the Commission of National Education, founded in 1773 through the initiative of King Stanisław August Poniatowski. At TBS Warsaw, our Class Friends and parents throughout the school are joining in this Polish tradition by planning their own surprises to show our gratitude too.

Thank you in advance to the parents who have confirmed their commitment to help Tuesday be a special day!

Tickets for Fireworks Night on November 5th will be available for purchase **early next week**.

Numbers are limited at this wonderful family night, so please look out for the PTA tables outside school at Limanowskiego and at Reception at Dabrowskiego.

If you would like to help or find out more about any PTA events, please just contact:
