Specially designed programme  
French as a Foreign Language (FLE)**

**For our non-French speakers who wish to join and  
learn French intensively in full immersion**

At Collège Champittet French is mandatory up to the age of 12.  
We offer a specially designed programme : FLE programme (FLE),  
for our non-francophone students, with the possibility of  
validating the academic year.

As of the age of 12, students can choose the International Baccalaureate  
programme in English (pre-IB and IB - minimum level of English B1/B2).

### Younger students:

For our students who are non-francophone (without a minimum level in French of B2), the school organises French as a Foreign Language “FLE” lessons.

According to their age and level of French, these students will be set in special classes, or taken out of class during some periods.

This will allow the students to improve their French, while validating the academic year.

### 9<sup>th</sup> & 10<sup>th</sup> Grade French as a Foreign Language

For students who are non-francophone FLE support (max. 8 periods FLE per week to help integration to a French programme) or **FLE class (12 period FLE)**
