

MADS (Make A Difference In Society)

“Be the change you want to see in the World.”

Mahatma Gandhi

Goals

The aim of the society is to try to make a difference by increasing student awareness on global issues, both humanitarian and environmental, and to raise funds to alleviate global problems. We support a number of charities as the need arises and according to student wishes. However, our main charity is Save Our Lives Ghana. Save Our Lives Ghana (SOLG) started its first orphanage in Agroyesum, a little village about 60 km from Kumasi.

<http://www.saveourlivesghana.nl/>

Other charities regularly supported are the International Rainwater Harvesting Alliance which is a small organization based in Geneva that harvest rainwater and provides sanitation for small sustainable projects around the world <http://www.irha-h2o.org/> and Lantern Projects supporting well building and water purification in Cambodia <http://www.lanternprojects.org/>

MADS organises the annual gift box appeal for underprivileged children in Eastern Europe within the Secondary School.
