

THE BRITISH
SCHOOL
Warsaw

Online TBSTalks

What's happening?

All students, parents and teachers are welcome to participate in this TEDx-style event.

Share a passion, observations, or zeal for a pressing issue in an audio or video recording.

Or donate money for Solamians who struggle during the COVID-19 crisis instead of buying tickets. Donations are **voluntary**, and the amount of money is a **personal choice!**

A video from one of our speakers will be released weekly.

Our target: 5 000 zł

Fundraising online for Somalia!

Who are we fundraising for?

We are fundraising to support the Polish Humanitarian Action – an organization specialized in bringing humanitarian aid to underdeveloped parts of the world.

Within the school community, we want to support their efforts in Solamia during the COVID-19 pandemic by fundraising online!

All donations will be collected through their official fundraising platform, and transferred directly towards their actions.

Why Somalia?

Somalia is only one of the many places PAH is targeting at the time of the pandemic.

The unstable political situation in Solamia, harsh climate conditions, and therefore shortage of food and clean water have long made them a priority.

Now, at a time when hygiene and isolation are more vital than ever, we must work to provide those basic resources, hygiene education and medical care.
