This is to confirm that both the applicant and the parents/guardians have read and accepted the IB Scholarship Rules and Regulations. *

This is to confirm that the parents/guardians have consented to this application and will be involved in the potential application process and support the prospective schooling of the student named above while being educated in The British School. *

This is to confirm that the parents/guardians have consented to the processing by The British School of the personal data of the student named above and that of his or her parents/guardians for the purposes of this competition, including the public announcement of the name of the competition winner. Providing of the personal data is voluntary. The personal data shall not be used for marketing purposes but they may be processed for the legitimate purposes of the data administrator. The parents/guardians have the right to access and modify the above data. *
