

Thank you to all the parents and staff who helped in the delivery and distribution of doughnuts on Fat Thursday/Tłusty Czwartek. The children certainly seemed to enjoy their treat!

Film Night for years 2 & 3

Last week's showing of The Lego Movie was a great success, though the PTA's latest purchase – a popcorn machine – probably stole the show.

Many thanks to Radhika Bhatia and all the parents and staff involved in making the event so enjoyable and to Maciek from the Catering Team who worked very hard to meet the demand for popcorn!

A few words from our year 2 and 3 students:

'I loved watching the movie together with all of my friends. It was awesome!! The popcorn machine was really cool too.

When is the next movie night?'

Lachlan Hill 2JB

'The Movie night last week was great. It was a fun movie with some unexpected bits in it. At the end, I liked the way the Kitty killed the bad guys. I would love to watch the movie again. I also really enjoyed having the popcorn from the new popcorn machine.'

Shiv Bhatia, 3RR

'The Lego Movie was funny and entertaining and great for all the family. My best part was when Emmet (the main character) saw Wildstyle and said, "Geeeeeeeee, wait up!"'

'My feedback for The Lego Movie is, "Everything is Awesome" in that film!! A very big THANK YOU to the people who made it 😊.'

Chess Competition

Last Saturday's House Chess Competition organised by Mr Budzinski and with prizes sponsored by the PTA, was another great success. There was a really good mix of age groups amongst our chess enthusiasts and an enjoyable day was had by all.

Secondary Council Ball

SECONDARY STUDENTS' BALL - this event organised by the students under the leadership of Marin Magre, was a great success. We would like to say thank you to Andrea Rassler, Isabelle Borrey, Vanika Nihalani, Patricia Sanchis and Sharon Dry who, with the help of the logistics team, contributed their time and efforts to transforming the gym into a room fit for James Bond.

Dear Sharon, Patricia, Andrea, Isabelle, Vanika and Jan ,

I would like to thank you for your huge help in the organisation of the ball. All the decorations were perfect and I very much enjoyed working with you as you always fulfilled my demands in time and to even better standards than I expected. I got numerous compliments from students who said they found it hard to believe that they were in the sports gym, thanks to all the decorations which really created a great atmosphere.

So once again, a big THANK YOU to all of you for contributing in making this event a great success.

*Best regards
Marin Magre*
