

PTA - Parent Teacher Association

The main role of the PTA is to build strong working relationships among parents, teachers and the school, in support of our children. This includes recruiting and coordinating volunteers, organising memorable events, fundraisers and social gatherings for our school's international community.

SOME OF OUR YEARLY PTA EVENTS

MONTLY BAKE SALES

Every month a year group provide the baked goods which is linked to a theme i.e. Thanksgiving, St Valentine etc. Traditionally this is our main income

INTERNATIONAL DAY

This is one of our favourite days. We have more than 40 nationalities that participate in this event. Kids are dressed in their national dress and we do a grand parade to start the day. During the day kids can experience the different cultures by dancing, singing and story telling and the highlight must be all the traditional food prepared by the parents in our big gym.

SVATY Mikuláš (ST NICHOLAS DAY)

In some Slovakian towns and villages, St. Nicholas, or Svaty Mikuláš arrives in a horse drawn coach, accompanied by an angel and a devil who rattles a chain. While waiting, children fill the streets with singing and dancing. St. Nicholas has a present for each child and in some villages he visits each home. In BISB, Svaty Mikuláš, the angel and the ominous devil visited each class to deliver chocolates for all our lovely kids at school who was of course good all year long.

MAGICIAN FOR THE YOUNGER ONES

We had a magician visiting our year 1, reception and nursery children again for a wonderful end of term Christmas show. It is a real treat to see these kids laughing and participating in the fun. We are planning another theatre outing for the older kids which they enjoyed tremendously last year.

EASTER BUNNY

Each year we have the Easter bunny visiting all the classes and distributing easter eggs. With the help of parents and teachers we do a special easter egg hunt for the Early years and Nursery Children.

SPORTS DAY

PTA arranges volunteers to assist at our annual sports day to make sure the children and teachers stay hydrated and full of energy with oranges and bananas.

SCHOOL DISCO

The school disco is one of the kids' highlights of the year. During the disco we supply various face painting and "tattoo" stations and also arts and crafts for the little ones. We also provide pizza and fruits. The teachers organise games in a separate hall for kids that want to take a break from dancing.

COMMUNITY SERVICE AND CHARITY

In addition to PTA's own contribution towards charities we also assist the children in the school to organise their own fund raising events by donating the first supplies to get them started.

Arusha, Tanzania

A group of secondary students of all Nord Anglia schools has a life changing experience and opportunity to make a lasting impact on local communities in Tanzania. There have been a number of projects completed including goat shed construction, renovation of classrooms and library and also construction of teachers accommodation.

Kramare Children Hospital, Bratislava

Every year group in BISB create their own fundraising event in school. All these funds go towards the renovation of the Children hospital.
