

Dear Parents,

LITTLE CHEF is the food service operator at BISB since the academic year 2109/2020. Allow us to briefly introduce ourselves. While providing meals to other diners using our services, we have to follow the School Act and operating rules established for school dining facilities, so no child or pupil health is at risk and the dining culture is preserved.

LITTLE CHEF promotes a healthy, diverse and high-quality nutritious diet for your children, with a team of qualified professionals preparing, reviewing and putting together every menu.

A top-flight Slovak chef, Vladimír Morochovič, is responsible for organising work, managing the kitchen staff team and for the quality of all food prepared, in compliance with food service rules. Katarína Jankovičová is responsible for the entire operation.

Providing high quality food for pupils and compliance with nutritional values are handled by a nutritionist and food animator, whose roles are to motivate, assist and oversee meals for your children, mainly those of lower ages. There are several new things we have prepared for your children to contribute towards a higher quality and value of meals.

If you are interested in registering your child for morning snacks and/or lunch, please read the general information below carefully. Should you have any questions about food services for your children, please do not hesitate to call our manager Katarína.
