

Double affairs of Buchanan's

One of the wealthiest families living on the East Egg experiences a family crisis. On the 3rd of July, Tom Buchanan was spotted in an ambiguous situation with a woman later identified as Myrtle Wilson. The witness of the incident prefers to remain anonymous.

At the same time, Mr Buchanan's wife, Daisy Buchanan, began to appear frequently in the company of her former admirer, Jay Gatsby.

"This is our private life and you shouldn't be interested in it. We are a happily married couple; we love each other, and no rumours can destroy it." said Tom Buchanan. According to the family's closest friends, Jordan Baker and Nick Carraway, the Buchanan marriage experiences its ups and downs like any other marriage and should not be treated as sensational.
