

INTERNATIONAL COLLEGE SPAIN  
MADRID

A NORD ANGLIA EDUCATION SCHOOL

## Recommended Resources for EAL Students

**RAZ-Kids/ Science A-Z**- online reading program- school account (science texts and other non-fiction e-books).

Raz Kids login <https://www.kidsa-z.com>

**Newsela** (News)- adapted news articles for different reading levels (free)

<https://newsela.com/>

Log in with your **Microsoft Office 365** account

Click on the **News** tab and select articles of interest. Articles have different levels and quizzes to go with the reading.

**Go Noodle**- fun activities and songs in English (free)

<https://www.gonoodle.com/>

**Tumble Books**- access to E-Books for kids (school account)

<http://www.tumblebooklibrary.com>

**Starfall**- A children's website that teaches basic English reading and writing skills for young learners.

<http://www.starfall.com>

**ESL-Lab.com**- listening quizzes and vocabulary on different topics (free)

<https://www.esl-lab.com/>

**Britannica Student** (information on many academic topics- school account- icsmadrid)

<https://school.eb.co.uk/storeschoolcard?id=icspain>

**Ducksters.com** (simple information on many school topics- free)

<https://www.ducksters.com/>

**BBC Bitesize** (revision notes for different subjects for upper secondary school)

<https://www.bbc.com/education>

## Maths in English

<http://www.numbernut.com/>

**Chem4Kids.com** (simple information about Chemistry and the elements with links to other science and geography sites)

<http://www.chem4kids.com/>

**Readworks:** You can sign in with a class code to read different articles and narratives for different grade levels.

<https://www.readworks.org/>

## English grammar and vocabulary revision

<https://www.englisch-hilfen.de/en/>

**Azar English Resources** (powerpoint explanations, reading practice, etc.)

[http://www.azargrammar.com/materials/feg/FEG04\\_PowerPoint.html](http://www.azargrammar.com/materials/feg/FEG04_PowerPoint.html)

EAL students can also watch movies in English with subtitles in English. They should read in their first language as well because a well-developed first language facilitates second language acquisition.
