

# WELCOME TO OUR MIDDLE SCHOOL

## We offer a choice of programmes to satisfy a variety of needs

- Anglophone programme (delivery in English)
- English as a Second Language (ESL) programme
- Bilingual programme (delivery in English and French)

## A wide range of subjects offered

- Languages (students learn English and French and one of Italian/German/Spanish)
- Science, History, Geography, Art, PE, Computer Science, Drama, Dance
- Music (every student learns an instrument and performs in a concert - Juilliard collaboration)
- Mathematics (students assigned to classes according to their individual levels)

## A holistic education, addressing the needs of each individual

- IMYC (International Middle Years Curriculum) as a framework to enhanced learning
- Homeroom curriculum to support students in all areas of development. Personal Learning Plans encourage students academically and the REACH programme promotes personal and social responsibility
- An outdoor camp programme at the start of each year, with clear social, educational and skill outcomes
- Leadership opportunities in a variety of settings
- Strong extracurricular opportunities, particularly in Sports and Music
- Interactive social activities within the House programme, and events organized by the Student Government
- Enrichment activities for students who demonstrate High Potential in one or more areas
- Learning Support programmes for students who learn differently
- Charity events to raise awareness and to make a difference to the lives of the poor and the vulnerable
