In order to ensure the safety of the students during school trips, certain basic rules must be observed. Efforts made by each student will ensure the comfort and safety of the students' transport.

**Students agree to:**

1. Respect the driver, the other travellers and the vehicle
2. Remain seated, with the seatbelt fastened, during the journey, until the bus comes to a complete stop
3. Conform to the recommendations of the driver for the use of the security seats
4. Keep their voices down in the bus
5. Respect their fellow students (no pushing) and refrain from threatening behaviour
6. Wait for the bus standing at least 1 metre back from the road
7. Wait for the bus to come to a complete stop before boarding, queue up and wait their turn to board
8. Allow easy access to enter and exit the bus

**Collège Champittet agrees to:**

1. Allow parents to inspect the safety and comfort of the buses
2. Report and sanction improper behaviour
3. Punish serious misdemeanours and, if necessary, withdraw permission to use the service
4. Review with the students the correct behaviour when riding the bus
5. Meet the parents and their child if his/her behaviour puts fellow students in danger
6. Distribute this charter to all the students concerned
7. Provide the vehicles with seats for children

**The parents agree to:**

Collaborate with the Management of the Collège Champittet to achieve the aim of ensuring the safety and respect of the drivers, the fellow students and the equipment
