

Old Portena

COLLÈGE DU LÉMAN

International Boarding School — Geneva — Switzerland

Old Portena

Old Portena House lies at the centre of the campus, in a quiet area on the Primary side of the School. It is a House for around 20 junior girls who find that it is an extremely welcoming home for them. The House furniture was renewed at the end of 2013. Rooms are a mixture of 2, 3 and 4 sharing, which helps the girls integrate and make friends when they first arrive. There is a fully equipped kitchen, a laundry, and a sitting room with television and Wii. The House has WiFi access and all rooms have desks.

Student view

"Old Portena is a very cool boarding house to live in. The advantage of living in a small house is that you really get to know each other well and love each other. We have learned that when we work together, no one can stop us because to us, everything is possible."
