Hello. I'm Yewon. I will tell you about some teachers in our BISB school. Today, I will tell you 4A's Mrs Meason!

(she looks a bit scary to some people, but she is not.)

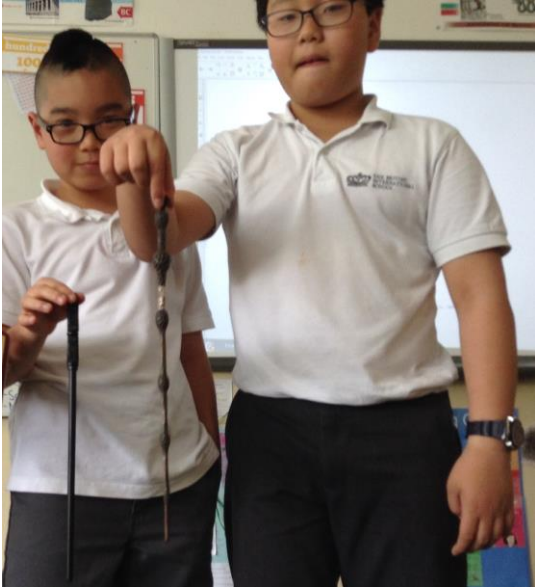

She is very kind and she talks so well so we can understand well. She mostly wears a skirt, but sometimes she wears trousers.

I will be here with other teachers at next week!!

## About Korea and Slovakia

First, about Korea. The Korea international clothes are very colourful. And the food is very good! But the important thing is the Korean people wanted unification. Because, North Korea and South Korea wanted to meet the family. Next week I will tell you about Slovakia.
