Performing Arts  
with Juilliard

8<sup>th</sup> – 21<sup>st</sup> July 2017  
Geneva, Switzerland

Seeking to build your child's creativity, self-confidence and cultural awareness? Take your child's learning out of the classroom and into the world of dance, music and drama with the renowned Juilliard School.

Nord Anglia Education invites your child to participate in this two-week programme immersed in the performing arts held at the prestigious boarding school Collège du Léman in Geneva, Switzerland. The city is the perfect backdrop to cultivate your child's talents and inspire them with a global perspective.

## *Which programme is right for your child?*

### **Discovery Programme**

Designed for the student with wide ranging interests

Students will choose both a major and minor course of study from the three disciplines: music, dance and drama. It is ideal for students with multiple interests in these subjects areas and who wish to explore further.

### **Young Artists Programme**

For advanced performing artists focused on a chosen discipline in music dance or drama

Students will participate in additional rehearsals, private one-to-one lessons, and have increased performance opportunities. This programme is ideal for students that have been studying their discipline for at least two years and are performing at an advanced level.
