

# The Global Classroom

## Focus on Photography 2015 Calendar Competition

Do you fancy having one of your photographs published in the Nord Anglia Education Global Classroom 2015 Calendar? See below to find out how!

The theme of this year's calendar competition is 'Adventure'. You can interpret the theme any way you want, but please make sure to include a 40 word explanation of how you feel your photograph captures 'Adventure'.

Please also remember to include with your entry:

- Your full name
- Your year group
- Your school name
- A title for your photograph

Image Requirements & Competition Rules:

As the winning pictures will be printed in a horizontal calendar, the photograph that you submit for the competition must:

- Be landscape (not portrait)
- Have been taken on a camera with at least 5 megapixels
- Be sent as a full resolution JPEG email attachment (not a resized version of the original)

The deadline for taking and sending your photograph is Friday 26<sup>th</sup> September 2014. All student entries will be displayed online on the Global Classroom from the beginning of October, and all students will be encouraged to vote for their favourite images. Students will be asked to consider the following when giving their votes:

- How well it illustrates the theme
- The technical merits of the photograph
- The emotional response that the photograph provokes.

The student votes will be considered alongside the professional judge's preferences. Winners will be announced on the Global Classroom in November, and these images will be used to create the Nord Anglia Education Global Classroom 2015 Calendar.

To submit your photograph to the competition please email your entry to:

[global.classroom@nordanglia.com](mailto:global.classroom@nordanglia.com)

Good Luck! Please don't forget to encourage your friends to get snapping too!
