

## IBDP SUBJECT CHOICES 2020-2022

**Important – Please read BOTH pages carefully**

Please be aware that this form is only your first indication of choices for next year – at this stage, there are no guarantees. We will endeavour to assure everyone's first choice however, some options may be subject to change for example, if an insufficient number of students opt for them. Please also note that certain combinations of subjects may not be possible due to timetabling constraints or may not be advisable for some students. Please check with the IB office if in doubt about your choices or combinations. It is the responsibility of each student and their parents to ensure that subjects chosen match the entry requirements of individual universities to which the student may apply at a later stage.

### Choices are dependent on:

- Appropriate numbers of students in each class
- Staffing or timetabling feasibility
- Departmental endorsement (obtained after initial choices are made)
- Parental signature
- Achieving recommended grades at (I)GCSE particularly, at least a B or above for HL options. **Please note** that those wishing to study HL Physics, Chemistry or Biology are strongly advised to only opt for these if they have a minimum A grade at (I)GCSE (or A\*A grade if studying Double Award Science)

Any requests to change these choices after their confirmation **MUST** be communicated immediately to, and approved by, the IB Office. If you are unsure about which choice to make, you would be advised to take 4 HL subjects with the intention of changing one to SL within the first half term. Please contact the IB Office if you have further questions or require clarification on the choices process.

- The choices you make are an initial indication of your preferences and not a guarantee at this stage
- You must select one (and only one) option per column. You must select at least one Language A option and one of your languages must be English
- You cannot select a course more than once. Ultimately, you must select 3 courses at Standard Level and 3 courses at Higher Level
- **Courses are offered at both Standard and Higher level**, unless otherwise stated. All ab initio language courses are at SL only
- **Economics and Business Management** cannot be taken together.
- **Parents** – Please sign the form in designated space to indicate that you are aware of your child's choices and that you have read and understood the IBDP Course Guide (to be available on Firefly) as well as all of the information on this sheet.

**Please complete and return this form to the IB Office [iboffice@thebritishschool.pl](mailto:iboffice@thebritishschool.pl)**

## IBDP CHOICES 2020-2022

Please read guidelines on the other side of this sheet very carefully

Student's full name (PRINT) .....

Form/Tutor Group: .....

Student's signature: .....

Parent's Name (PRINT) and Signature .....

Preferred countries for university: .....

Intended course(s) of study at university (if known): .....

Please make sure to have one subject chosen in every option block.

	<u>Option 1</u>		<u>Option 2</u>		<u>Option 3</u>		<u>Option 4</u>		<u>Option 5</u>		<u>Option 6</u>
