COLLÈGE DU LÉMAN

International Boarding School — Geneva — Switzerland

Léman 1

Léman House lies at the heart of the School, and the building has been redeveloped over many years to give excellent boarding facilities for 58 boys in Grade 9 to Grade 12. It is in the centre of the campus, and every room has en-suite toilet and shower facilities. Outside there is a paved roof terrace with table and chairs.

The House furniture was renewed recently. Rooms are generally twin sharing rooms. There is a fully equipped kitchen, a laundry, and a sitting room with television and Wii. The House has WiFi access, and all rooms have desks.

Student view

"I like my House because I have a good relationship with my House parents. I have a good room and in my opinion, Léman is the heart of CDL and is the best location. Also, meeting people from new countries is very important and Léman being one of the biggest houses allows me to do that." - **Dmitry**
