CHAMPITTET IS IN THE RUNNING

Invitation to the 20 km of Lausanne, 28 and 29 April 2018

Dear Parents,

Sport plays an important role at Collège Champittet as it represents values shared by the Collège such as effort and the sense of community. We have participated for almost 20 years in this popular race of our city, Lausanne.

This year, junior races and “run for pleasure” categories will take place on Saturday 28 April and adult races, 10 and 20 km, will take place on Sunday 29 April 2018.

Exceptionally for the 115 years of our school, a special departure with 115 runners (students, teachers and parents) is scheduled for Saturday 28 April. Register now to take part in this event! (See link below)

Enrolment:

Should you and your children wish to join in, please register by **Saturday 1st April 12:00** via this link:

[20 km of Lausanne 2018 - Inscription Collège Champittet](#)

You will have the possibility to collect your race numbers **as of Friday, 27 April at 5:15 pm** and until **Saturday, 28 April, 1 hour before the departure of the races.**

Please note that registration fees will be at your charge and billed separately.

A special “115 years” T-shirt will be distributed to all participants.

Training:

Running a race, regardless of the distance, requires special preparation. Students will be able to train during gym class.

As every year, there will be a Champittet stand at “La place des fêtes” next to the departure (J.-A. Samaranch stadium). We would like to remind you that your child(ren) are under your full responsibility throughout the day.

Mr Giulio Lushaj, Head of Sports, is at your disposal by telephone: 079 262 53 10 for any further information.

We look forward to welcoming many of you on Saturday the 28 and Sunday the 29 April 2018.

Greetings from the sports team,
Collège Champittet
