

JESTER (GASPARKO)

Dear Primary students (reception & Y1-Y6);

PTA would like to take you to an extraordinary show performed by **SL'UK** on
10th December Thursday 2015!
10am at Dom Kultury Dubravka

SL'UK (**S**lovensky **L**'udovy **U**melecky **K**olektiv) is a Slovak Folklore Group who is going to perform for our kids Jester(Gasparko), the most played dance show for children +4. The show combines traditional puppet theatre with traditional dance and music. The main aim is to develop children's understanding of dancing as much as traditional culture. The style of the performing is quite interactive letting the children take part in it couple of times during the show.

The Jester will show the children a little village with a market, street artists, dancers and musicians. Children will learn easy movements, easy songs and will help Jester **TO CATCH THE TWO NAUGHTY DEVILS!!!!**
