1. A student can be expelled at any time by the Principal. If a student is expelled or if a student is withdrawn by the parents, the fees for both the current term and the following term are due to the school.

F. Visas and residence permits

The school assumes responsibility for requesting Swiss residence permits for all students. The Swiss residence permit is recognised in all countries of the Schengen area.

However, parents of non-european students need to apply for visas as soon as they've received the relevant documents from the school. The school declines any responsibility in case of late arrival due to a visa problem or any other necessary documents for entry into Switzerland. Students from a non-european country have to be registered at the embassy of the country of origin in Switzerland.
