NEWSLETTER DE L'INTERNAT

NOVEMBRE DÉCEMBRE 2020

A word from Fanny Leluan, Deputy Director of the Boarding House

Dear all

It has been an eventful term, our boarders have worked hard but not forgotten the core values that animate us here at Champittet: altruism, kindness and resilience.

Our inaugural Charity Christmas Drive was a success and the older years made us very proud by getting everybody involved. It was also a term of discovery and time well spent together, either at the Schilthorn or under a great big fire or of course at our Traditional Loto. Time spent together was crucial to boost morale in these uncertain times. We focus on a new boarder in this newsletter who has contributed greatly to the Champittet Spirit: Mathieu. Read more on the next page.

We wish you and your family a safe and pleasant time during the holidays and we are looking forward welcoming everybody back on the 3rd January, fresh, and ready to face a new year. Keep safe!

Thank you all and thank you to our fantastic team,

Enjoy the read,

Fanny

CHARITY CHRISTMAS DRIVE

SCHILTHORN

ESCAPE GAME VALLEE DE JOUX

BOARDING HOUSE SPIRIT NIGHT

ACADEMIC SUCCESS FOR BOARDERS

Atila in 14IB has just been invited for an interview at the prestigious Queen's College, Oxford and also received an interview from Imperial College. Good luck to him !

Polina in pre-IB has received the best performance price for the first trimester and is focusing on six subjects so she can study medicine.

Wallerand in 13BF is also finishing first of his class this term.

OUR TRADITIONAL LOTO: IT'S ALL FUN AND GAMES!

Keichihiro, Polina and Olga were the big winners of the night including a flight simulator experience and Globus cards !

CHARITY EFFORTS REWARDED

Boarders mobilized their efforts during this term to support two local charities: La Maraude and Les Cartons du Coeur Romandie, helping homeless people by collecting money, food and hygiene products. The money collected through our Sports Tournament will allow the shelter to buy warm clothes and sleeping bags. Our boarders also took the time to handmade 100 Christmas cards to be distributed in care homes and local shelters.

A charitable young man

Mathieu, 11 pre-IB

Mathieu has joined us this year at the boarding house and we could not be happier. In a short few months, he has thrown himself into the life of School, becoming a Fondation Champittet ambassador and becoming a real driving force behind our Christmas Drive. All of this, while maintaining good scores accross the board, well done !
