

READY FOR A GREAT DAY AT SCHOOL?

Use this list to make sure...

1.

Where are you going to sit today?

Find somewhere comfortable, peaceful and quiet to do your work.

2.

Got everything you need?

Make sure you've got your laptop/tablet, your pencil case and paper.

3.

What about break time?

Ask when you'll get time to take a break - eating and playing are important too!

4.

Say hi to your friends

You might not be able to chat on the playground but you can still catch up online.

5.

Help is at hand

You can message a question to your teacher any time - just like putting up your hand in class.

6.

Reward yourself

You're working really hard and you're doing great - you've earned it!

And remember...

Have a fantastic day at school!
