

BISH Kids - Before and After School Care

Our Service

The BISH Kids before school and after school care service hopes to meet the needs of parents and is available to all students who arrive on campus before or get picked up after regular school hours.

Staff

Unaiza Khan - Supervisor & LSA

My educational background is in teaching primary school and working as an Education Coordinator. I have graduated from the University of Houston and have previously taught as an art teacher in enrichment classes for H.I.S.D. I believe the path to learning is a life long journey and I strive to encourage a love of education from an early age to promote successful learning. I'm hopeful that I can make a difference in the lives of students here at BISH.

Maria Acosta - LSA

I've been living in Houston for 5 years. I have a son and a daughter. My passion arose from having my own little ones and volunteering to my son and daughter's classrooms. I work with BISH Kids for the rest of the day. I look forward to growing and learning so much with BISH.

Paulina Arciniega - LSA

I have been working with children for over 12 years. I have been a babysitter, nanny, assistant teacher, and now an LSA for BISH Kids. I am very excited about working with so many talented and professional people in the school as well as the amazing children. I am looking forward to learning from our special bunch!

Natalie McBain - LSA

I have been working with children for the past 4 years as a babysitter and now I work in the school's Nursery. I have really enjoyed my time getting to know all of the children, learning from the other LSA's and look forward to continuing this with BISH Kids.
