

We are delighted that you are considering Nord Anglia International School, New York for your child.

Nord Anglia International School, New York attracts children from both local and international communities. Most students will join us at the beginning of the academic year, but we are able to admit children throughout the year, space permitting.

Places are offered based on availability and an assessment of whether there is an appropriate fit between the child and the school. Siblings are given priority, although places cannot be guaranteed.

Notice of Non-discrimination Policy

Nord Anglia International School, New York reaffirms its policy to admit students on a non-discriminatory basis, without regard to race, color, nationality, family orientation, or ethnic origin.

The Admissions Process

Step 1: Application

To begin the admissions process, please send in the following:

1. Completed application for admission with attached photograph
2. \$50 non-refundable application fee
3. School transcripts
4. Teacher evaluation form
5. Parent statement (optional)

Step 2: Assessment

After the application is completed, we invite each prospective student to meet with the Principal and admissions team for a short visit. During this visit, the prospective student and his or her family will have the opportunity to ask questions and learn more about the school. An assessment of the child will also be performed by a member of the teaching staff. If the assessment is successful, the application is in order, and provided space is available, the child will be offered a place.

On occasion we understand that it is not possible for a child relocating from abroad to meet in person with school leadership. In these circumstances, a conversation by phone is possible, or the child may be offered a place on the basis of the application alone. As with all final admission's decisions, this is entirely at the discretion of the school leadership and admissions team.

Step 3: Enrollment

When your child is offered a place at Nord Anglia International School, New York, you will be given an enrollment agreement to complete. Please send this form back to the Business Office, along with your \$3000 deposit which will secure a place for your child. This deposit will be applied towards the tuition fee for the second term of school.
