SCHOOL OVERVIEW

Founded in 1957, North Broward Preparatory School (NBPS) is an independent, coed, non-sectarian, Pre-Kindergarten through 12th Grade, college preparatory, day and boarding institution. The NBPS community is remarkably diverse with day & residential students from over 27 countries. NBPS's strong college preparatory academic programs are complemented by enrichment offerings in theater arts, music, visual and graphic arts, computer science, STEAM and other subjects. NBPS provides students with a global perspective as a function of its membership in Nord Anglia Education and an International Baccalaureate World School.

NORD ANGLIA EDUCATION

A global family of 56 international schools, Nord Anglia Education is the world's leading premium school organization. The Nord Anglia approach to learning, combined with daily access to international opportunities through our Global Campus, inspires ambition and produces exceptional achievement across the curriculum.

MISSION

We foster critical thinking skills, provide opportunities for the discovery of interests and instill the virtue of civic responsibility. Our challenging, yet nurturing environment, prepares our students to excel in their top choice colleges and universities.

HONOR CODE

Integrity is essential to the very existence and viability of any academic community of distinction. Academic honesty, respect for others, and respect for property all are reflections of the self-respect that North Broward Preparatory School teaches, nurtures, and expects at all times of every student who is a citizen of our school community.

NBPS VIRTUAL LEARNING EXPERIENCE DURING COVID-19 TRIMESTER 3 (SPRING 2020-2021)

In response to the challenges posed by the onset of the COVID-19 pandemic in Spring 2020, North Broward Preparatory School adapted a Virtual School Experience (VSE). The combination of synchronous learning sessions fused with asynchronous, independent practice/study ensured the continued provision of a mission driven, high quality, rigorous academic experience for all students. Through the NBPS VSE, NBPS grading, report cards and transcripts remained the same.

For the 2020-2021 academic year, high school students shifted to a hybrid model with the option to attend in person full- or part-time or remain virtual. All students attended school for the equivalent number of hours as every other year to maintain the integrity of the curriculum.

Regarding end-of-year examinations and assessments, our school proceeded with implementing the necessary requirements for successful completion of AP and IB programs. All students enrolled in AP courses completed their exams. All IB students submitted required materials for completion of their courses despite cancellation of formal IB exams. Cumulative final exams were suspended in 2020 and 2021 in order to extend the teaching of essential skills until the end of year.

ARTS ACADEMY

Arts Academy students train with professionals from our diverse faculty and staff to guest artists from top arts organizations. We offer pathways in visual art, dance, music, media arts, theatre, and interdisciplinary arts. In addition to their academic schedule, students hone their skills and develop their unique artistic voice through their core arts classes (12 credits) and afterschool performances, productions, and competitions.

TRANSCRIPT

- NBPS does not rank its students
- A weighted cumulative core academic GPA is reported using trimester grades
- Courses listed are taken at NBPS with NBPS faculty.
- A year is comprised of 3 trimesters (1/3 of a credit) resulting in 1 credit

ACADEMIC PROGRAM

- Over 180 courses
- 34 honors courses
- 14 Advanced Placement (AP) courses
- 25 International Baccalaureate (IB) courses
- Required no fewer than 5 academic courses per year
- Departmental approval and prerequisite grades to enroll in honors, AP and IB courses
- Academic core classes include those offered by the English, mathematics, natural sciences, social sciences and world language and cultures departments

N.E.S.T. (Nurturing, empathic, support team) provides an “anchor” of social and emotional support for every single student by fostering deep, meaningful, and authentic relationships with a N.E.S.T counselor and fellow students. Our curriculum provides students with the opportunity to develop SEL skills and a sense of belonging and purpose within the school.

LIGHTHOUSE POINT ACADEMY (LPA) PROGRAM

The Lighthouse Point Academy (LPA) program has been designed to present the NBPS curriculum to students of average to gifted intelligence who have been diagnosed with mild-to-moderate specific learning disabilities and who require specialized learning accommodations. LPA students work within smaller teacher-to-student ratios that more effectively accommodate and guide students with varied learning styles. LPA emphasizes the process involved in more personalized learning, as well as curricular content and actively encourages students to develop their own executive skills, self-awareness, and learning strategies. The goal of LPA is to encourage students to accentuate their strengths and address their learning needs as they grow to be caring, responsible, and capable adults and college students.
