

BRITISH INTERNATIONAL SCHOOL OF HOUSTON

A NORD ANGLIA EDUCATION SCHOOL

November 10, 2014

Dear Parents,

We are delighted to share some very exciting news with you - Nord Anglia Education has secured a site and engaged contractors to begin work on British International School of Houston's new campus.

Our new school has been custom-designed to create an inspiring learning environment for your child. Located in Katy, the 33 acre campus is situated on extensive fields at the southwest corner of Franz Road and Westgreen Boulevard, conveniently near the Westgreen exit off I-10. Our larger campus will feature world-class teaching spaces, including extensive sports, arts and science facilities, and contemporary technologies to support the delivery of an outstanding educational experience for your child. We will move to our new school in September 2016.

The development of the new campus is the start of an exciting new chapter for our school and we hope you will join us in celebrating this outstanding news. We are looking forward to sharing full details of the school design, including artists renderings and site plans, with you in the weeks ahead, and will keep you fully informed of progress through our website and newsletters. In the meantime, please don't hesitate to contact me with any questions you may have about the development of our new school. I would be pleased to discuss them with you.

I would also like to take this opportunity to thank you for your ongoing support and commitment, and for working together with us in making the British International School of Houston *the* leading international school in Houston.

Sincerely,

Stephen Foxwell,
Head Teacher
