

Thank you!

UNICEF RECYCLING INITIATIVES

Recycling Bins:

Paper and plastic bottle recycling bins are successful;

We are now recycling pens, glue sticks and water bottles in the primary neighborhoods!

Dishwasher Works!

Thank you Flik Team! 😊

Water Bottle Recycling:

A kind reminder that there is a large bin for recycling water bottles in the Boma!

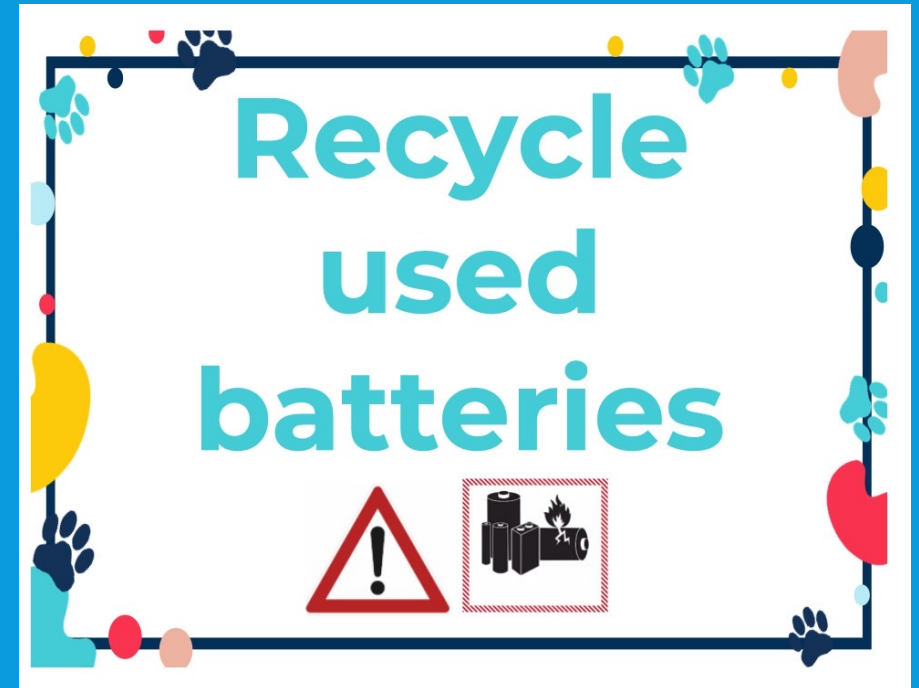

Battery Recycling:

New bins for recycling batteries!

New Recycling Station:

Students can use the litter grabbers to collect trash around the school!

To start liter-picking, remember to go to the reception desk and sign your name on the sheet!

Cup Design Competition!

We are relaunching the cup design competition to create reusable coffee and smoothie cups for the BOMA.

Design should be Bulldog themed and could relate to sustainability.

Competition

Entries must be made on Canva.

To create your sticker logo, follow the QR code and watch our handy how-to video.

Entries must be sent to-

emma.lawrence@Houston.nae.school

Closing date - Tuesday, February 17 (Final Day before Half-Term Break!)

WE WANT
YOUR IDEAS!
