Classes & Descriptions

Art

This creative class will lead students through the creative process, as they have fun learning to create, evaluate, revise, and extend their creativity in a variety of art mediums.

Dance

Ballet and Hip-Hop will be introduced this semester, as students are engaged in learning a variety of dance techniques and styles. Students will develop their performance skills which will be expressed in an entertaining Winter Recital. Additional fees for recital costumes will apply.

ACE Prep

Join us for the Fall Semester, as we have fun exploring and creating. This enrichment class develops student learning, curiosity, fine motor skills, and language proficiency through outdoor play, story activities, play and craft centers, and art exploration projects. Our program components will include, alphabet, number, and shape investigation, fall crafts, and holiday celebrations.

Rock, Rhythm and Rhyme

Students will embark on an imaginative journey that is developed through music, movement, and dramatic play. Students will move, sing and play instruments as they learn to express themselves in this fun and creative class.

Soccer

The Soccer Totstars sports program is specifically designed to teach students the structure of soccer through a range of fun activities that develop each child's cognitive, gross motor, and social skills.

Yogiños

Yoga for Youth® is an OHMazing® interdisciplinary children's yoga program. It weaves together mindfulness and wellness with original art, music, games, stories, and other sensory-integrated activities to promote flexibility, strength, balance, collaboration, civic and social responsibility, and nutrition on and off the yoga mat.
