

WINDERMERE PREPARATORY SCHOOL

A NORD ANGLIA EDUCATION SCHOOL

At Windermere Preparatory School, a member of the Nord Anglia Education Family of Schools, we believe that there is no limit to what our students can achieve. We encourage them to be ambitious, to reach for their dreams, to step outside their comfort zones, and to try something new. We ignite their curiosity through classroom experiences, differentiated instruction, our fine arts and athletic programs, as well as global experiences with our current student body, through the Nord Anglia Global Campus and travel programs.

Windermere Preparatory School serves students in Grades Pre-K Three through Twelve. We have a selective and competitive application process that is ongoing and based upon available spaces. Windermere Preparatory School does not discriminate on the basis of race, ethnic background, gender, national origin or religion.
