Head boy Oliver was one of four standout NAE students in 2019 who achieved the perfect score of 45 points for his IB Diploma. Oliver has now taken up his place at Williams College. "I was originally attracted to Williams for its small size and unique academic offerings like the Oxford style tutorials in which two students study with a professor."

**Aniek - British International School of Chicago, South Loop  
Erasmus University Rotterdam**

"I have received a conditional offer from my top school Erasmus University in the Netherlands, and I look forward to attending because it is one of the leading universities in the world for economics and for its diverse and international community."

I'm so excited to take charge of my future and am very glad that the work and the hours I put into this process have paid off. I am glad that 4 of BISC-SL students will be going to Northwestern."
