PRIVATE SCHOOL SLEEPERS

AREA TEAMS WHO COULD SURPRISE THIS SEASON

Here come the Sleepers! These are the teams that are on the radar but have some work to do. The leader of this group hands down is The Woodlands Christian Academy. The Warriors could by year's end be contending for a title. The offense has the weapons, Caleb Chappelle is a freak on both sides of the ball, so watch for them.

Bay Area Christian is another with a for sure 1,000-yard rusher in Andrew Brown back in the mix and watch out for The Village School with 10 starters back. The other teams will have holes to fill in significant spots but are all on this list for a reason.
